

WRITING PROFICIENCY COURSES

(one course) Students generally fulfill this requirement during the fall or spring of their first year.

Many students find it helpful to take a W course in field that engages them; they discover they enjoy writing, and make more progress, when the course topic is one they especially want to explore. All W courses fulfill a Sophia Program requirement and provide the opportunity to earn the Basic W.

*Courses that meet the **Writing Proficiency** requirement:*

(The courses listed below also fulfill an L01 requirement.)
