

CREDIT BY EXAMINATION

Credit by Examination

Advanced Placement Examination (AP) (p. 1)

If you took Advanced Placement Examinations, please send your scores to Saint Mary's (college code #1702). The results of the AP examinations reach Saint Mary's in July. Please do NOT wait for your AP results before you register for classes. After we receive your AP score, we will adjust your schedule if necessary. Please refer to the chart below.

International Baccalaureate (IB) (p. 2)

Saint Mary's College grants credit for higher level subject examinations of the IB. No credit is awarded for subsidiary level courses. Students do not have to be granted the IB diploma in order to receive credit for an individual higher level subject. An official copy of test results should be sent to Student Academic Services.

College Level Examination Program (CLEP)

Saint Mary's College grants credit for CLEP Subject Examinations only, not for the General Examinations. You can receive a "Description of the Subject Examinations" and a "List of CLEP Test Centers" by writing to the following address:

College Entrance Examination Board
Box 592
Princeton, NJ 08540
