Enrollment is by term and includes an enrollment fee per semester. If you are unable to pay your bill in full, you must enroll in the payment plan. If a payment arrangement is not in place by the due date, you could potentially be assessed a late fee and receive a hold on your account that will prevent you from registering for classes, obtaining a transcript, and accessing your grades. Information detailing the payment plan will be sent to graduate students in the summer.

Credit cards are accepted for payment of student accounts. There is a processing fee associated with this service based upon the amount charged. Information about this service can be obtained by contacting the Student Accounts Office.
