Total Credits		24

Advanced Writing Proficiency

The College's Advanced Writing requirement in the major will be fulfilled by the successful completion of the major portfolio.

Senior Comprehensive

The Senior Comprehensive examination will provide the major with the opportunity to demonstrate knowledge in her field by means of written and oral examination.

Each year, the Department of Modern Languages and Cultures secures funding to offer our language majors and minors a professionally administered language proficiency exam, the STAMP test. The STAMP test helps the department gather data on the success of our students and allows us to demonstrate that our graduating majors and minors have achieved a high level of proficiency in their respective language. Furthermore, the STAMP test is a wonderful resource for our students who can use the results as concrete and professionally gathered evidence of their language proficiency. Students are expected to take the STAMP test although it is not obligatory.
